

Learn Kitesurf and ride safely in Tarifa

ASSOCIATION OF KITE SCHOOLS OF TARIFA

Secured Kite Zone

- Always follow the recommendations of the authorities. If kitesurf is not allowed, do not enter the water.

- Kitesurf safely, always taking necessary measures to guarantee your and others safety. Avoid adding load to the healthcare system.

- In ocean, maintain a safe distance between riders. You will avoid the risk of contagion of COVID-19 and prevent collisions..

- Try kitesurfing in an area away from bathers, crowds of other riders, it will avoid contagions.

- To keep safe at sea, lifejackets and neoprene must be worn at all times riding. With offshore winds, rescue boats must be present.

ASEKITA action protocol

1. Sanitise hands before and after the class for instructor and student.
2. The instructor should wear a mask or similar protection during the kite class.
3. Access the beach through the left walkway and exit using the right walkway.
4. Avoid crowds at the school's flag by taking fixed appointments for your course.
5. Instructor and student will fill a self certification form confirming they have no symptoms of COVID-19.
6. Cleaning of bars and pumps after each course.
7. Use of one single kite equipment per student and per class.
8. Minimise risks by using short lines and smaller kites.
9. Use of radio-helmets when possible. On the beach, instructor will be on most leeward position on the side of student, but not behind.
10. While in water, maintain distance with other riders of at least 3 times the length of your lines.

PAYMENT:

Before taking your course, schools should receive payment before in order to avoid cash collection and contact with money.

TARIFA

- Tarifa has large areas to learn and practice kitesurf safely and avoiding crowds.
- Being the capital of wind of Europe, Tarifa has a large number of professional schools with extensive experience in the world of kitesurfing.
